

## Mayo 2011 Quality Conference

The 15th Annual Mayo Clinic Quality Academy Conference serves as an event to share among Mayo and non-Mayo colleagues, stories and examples of improvements in patient safety, patient and employee satisfaction, improved effectiveness and efficiency. This year's conference will focus on "Creating and Paying for Value in Health Care". Abstracts are being solicited for the following categories;

- Outcomes
- Safety
- Service
- Cost

Criteria and submission information is available online at <http://www.mayo.edu/cme/special-topics-in-health-care-2011r207>.

The deadline for oral presentations is **November 12, 2010** and the deadline for poster presentations is **February 28, 2011**.
